HEADQUARTERS • SIEGE

NEW YORK, NY 10017

REFERENCE: DOS/DSA/2025/0026

The Secretariat of the United Nations presents its compliments to the Permanent Mission of India to the United Nations and has the honour to refer to efforts to ensure that collaboration under the Triangular Partnerships Programme (TPP) continues to best meet the needs of United Nations peacekeeping.

The TPP is a training, capacity-building, and operational support programme administered by the Department of Operational Support (DOS) in which the UN works with Member States, with the expertise and resources, and Troop Contributing Countries (TCCs), in addressing gaps in military enabling capabilities needed by United Nations peacekeeping and African Union (AU) peace support operations. Key aspects of the TPP to date have involved the provision of training in heavy engineering, medical support and C4ISR (Command, Control, Communications, Computers, Intelligence, Surveillance, and Reconnaissance) and camp security technologies to meet training needs of UN peacekeeping and TCCs. The triangular partnership framework has served to introduce telemedicine in several UN peace operations. The enclosed fact sheet provides more background information on achievements through the TPP in recent years.

With strong support and consultation with its partners, the Secretariat has now expanded its scope to provide training on counter-improvised explosive devices (C-IED) and is exploring further areas of work, such as environmental management, to further enhance the efficiencies and effectiveness of its impact through its training pillars.

This year, the Secretariat marks the 10<sup>th</sup> anniversary of the TPP. The upcoming Stakeholders' Workshop will serve to highlight TPP's successes over the course of its past 10 years of support to peacekeeping and, with its Stakeholders, collectively address opportunities for its next decade of work. The Secretariat wishes to invite India to nominate up to two participants to the Stakeholders' Workshop from 24-26 June 2025 at the International Peace Support Training Centre (IPSTC), with the Workshop taking place at the Humanitarian Peace Support School (HPSS), in Nairobi, Kenya. Member State representatives may be both from their Capital and/or from the Permanent Missions in New York. Kindly note that, due to administrative and financial constraints, the Workshop is only able to accommodate a limited number of participants.

The Workshop, which is being organised by the Secretariat, with support from the Governments of Kenya and Switzerland, will be conducted in English and aims to: i) take stock of the TPP's achievements and progress to date; ii) strengthen relations among current and new partners as willing contributors of capabilities to United Nations peacekeeping and AU peace support operations, and contributors of expertise and other resources to the Programme; iii) review and improve TPP training curricula, iv) explore new TPP areas of contributions including closer partnerships with regional organisations in particular the African Union (AU), v) share information and best practices in identifying capability gaps and measuring performance, and iv) discuss ways to further develop TPP, including engagement with and between key partners.

Participants will be drawn from Member States representing the full spectrum of TPP partners, including TCCs interested in addressing training needs, financial donors, training providers, equipment providers as well as future partners considering participation in the TPP. Preferred participants in the Workshop would be senior programmatic expert(s) in multilateral and/or bilateral capacity-building,

preferably those with an understanding of military enabling capabilities and/or individuals who would be positioned to guide India's participation as a TPP partner.

While accommodation and catering will be provided by TPP, with support from the Workshop's host, Kenya, and co-chair, Switzerland, all participants are required to arrange their own international or domestic travel. Participants are also responsible for acquiring their own visa ([www.etakenya.go.ke](http://www.etakenya.go.ke)). During the Workshop, local transportation will be provided by Kenya to and from the TPP-provided accommodation.

The Secretariat kindly requests the Permanent Mission of India to the United Nations to provide the name, title and contact information of its nominated official(s) to Mr. Akira Marusaki (e-mail: [akira.marusaki@un.org](mailto:akira.marusaki@un.org), or telephone/WhatsApp: +1 917863 4571) and Ms. Giulia Matassa (e-mail: [giulia.matassa@un.org](mailto:giulia.matassa@un.org), or telephone: +1 646-272 6436; WhatsApp: +41 79 305 6437) of DOS by 30 April 2025. Because of administrative and financial constraints, all nominations are subject to final confirmation by the Secretariat, with detailed information on the Workshop to then follow.

The Secretariat of the United Nations avails itself of this opportunity to renew to the Permanent Mission of the Republic of India to the United Nations the assurances of its highest consideration.
